**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Stop a massive broadband price hike. Big telecom companies like AT&T are lobbying Washington, D.C. to Cut Off Competition & Raise Prices. They want to End Competition Laws & take away our rights to Free Enterprise & Fair Capitalism. Private America has no vote, We the People voted for a democratic government (You). Now you provide thre people with the services, protection & rights, we the people trusted in you.
